Happy New Year!

We hope you and your family had a blessed Christmas season. Since we left school for the holidays, we have slipped into the year 2010! Our teachers are geared up to fill the second half of our school year with loads of fun educational activities for your children. Be sure to read the rest of the newsletter as it contains important information about Registration for the next school year. Welcome Back and Happy New Year!!!

Parking Lot

Please refrain from driving or parking in the fire lane where the orange cones are placed during school hours.

Nutrition

Your child has grown so much since we started school! Their appetites and tastes are changing. As a reminder, your child needs a nutritional lunch while here at school. Make sure you send a good balance of fruits, vegetables and other healthy choices for their lunch.

Registration

Registration will be Monday, January 25th for incoming 2s and 3s (current UCP families only) for the 2010 school year. You will be receiving your registration packets mid-January.

School starts August 16 and goes through May 26. **To simplify payment, tuition will be averaged over 9 months, September - May.**

Students currently in our 3-year old program will register for VPK in March.

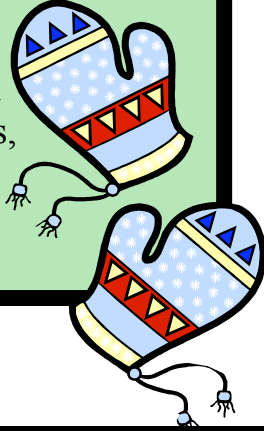

If you have any registration questions you can stop by the Preschool Office or email Christa Macheske at christamacheske@ucumc.net.

WINTER WONDERLAND

Winter Wonderland is on January 27 and 28. We will be doing all sorts of fun winter activities.

If you are interested in volunteering please stop by and see Jennifer at the Preschool Office.

Also, be sure to send your child in hats, mittens and scarves that day!

Extra Clothes

With our ever-changing climate, it's hard to tell how to dress your child in the morning. Something helpful would be for you to pack a light sweater or jacket in case they get cold during the day. Also, don't forget to pack an extra set of clothes in case of an accident.

Art Fundraiser

In February we will be doing a fundraiser utilizing Square 1 Art. We will have your child create a masterpiece here at school. You then will receive a packet with choices of having that masterpiece printed onto items such as magnets, gift cards, mouse pads, tiles and many more items. This event replaces the Art Show we have held in the past. Look for our display to go up in February!
